

Mergatroid Building
2nd Floor Hallway Door
Automatic Opening and Closing Hours
May 16, 2016

All doors are accessible using your FOB/card 24/7

Public Access

The main front door on Vernon Drive, and the door at the top of the stairs (off Vernon drive) are open as follows:

Weekdays:

Monday - Friday 9:00am - 5:00pm

Weekends and Holidays: use your Fob

Important Note:

The Vernon drive doors will not unlock for the day, until someone with a fob uses these doors. The logic is this: The public should not have access to the building before an authorized person (which is you) is in the building. Coming in through the Parker Street doors, or the loading bay doors, does NOT unlock the Vernon Drive doors.

Example:

If the Vernon Drive doors are set to open at 9:00am, you (or anyone else) **MUST** use your fob to open the doors once **AFTER** 8:59am. If you arrive in the building at 8:00am, you have to re-use your FOB after 8:59am to give the public access to the floor.

Security Note:

Please check that no one is lingering in the back stairwell, in the loading bay, or in the washrooms when you leave in the evenings.
